

the drinks house

Matching food & drinks, particularly wine, is a contentious issue. The range and myriad of complex & powerful flavours in Chinese cuisine can be overwhelming; especially with spicy food.

Embracing diversity, we believe all of our carefully chosen wines can be enjoyed with our fine oriental cuisine. Our aim is to provide an incredible selection of drinks & wines that encompass variety, quality and real value for money.

Japan

Gorgeous blended Whisky made with malts from Yamazaki & Hakushu. The whisky is finished in Umeshu Japanese liqueur barrels giving it a distinct aroma of plum, raspberry & pineapple.
